

Instructions for Report of Medical Examination and Vaccination Record

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form I-693
OMB No. 1615-0033
Expires 03/31/2022

What Is the Purpose of Form I-693?

Form I-693 reports results of a medical examination to U.S. Citizenship and Immigration Services (USCIS). USCIS requires the examination to establish that applicants who are seeking immigration benefits are not inadmissible to the United States on public health grounds. You can find a list of those health-related grounds in section 212(a)(1) of the Immigration and Nationality Act (INA). The list is also available in these Instructions in the **Frequently Asked Questions** section, **Item Number 9**. **See FAQs & Download I-693 on our website SiliconValleyMedicalClinic.com**

The results of your medical examination are confidential, and USCIS uses them primarily for immigration purposes. When required by law, the civil surgeon may share your results with public health authorities. USCIS will generally not discuss your medical issues with other individuals, such as your attorney or BIA-accredited representative, immigration officers, or other government officials, unless they have a need to know the information.

NOTE: If you are applying for adjustment of status as a refugee, a derivative of an asylee, or a K or V nonimmigrant visa holder, before reading any further, see section entitled Frequently Asked Questions, **Item Numbers 2. - 5.**, of these Instructions.

How To Fill Out My (the Applicant's) Portion of Form I-693

Form I-693 is divided into 11 parts. These instructions will help you and the civil surgeon complete Form I-693.

Only complete **Part 1** of Form I-693 and the identifying information at the top of each page. The civil surgeon and any other doctors, clinics, or health departments that you are referred to will complete the remaining parts of Form I-693.

Part 1. Information About You

Complete this part before your medical examination appointment. Fill out your name and A-Number (if any) at the top of each page of Form I-693. The civil surgeon will check that this information matches **Part 1**.

Item Number 1. Your Full Name. Use your legal name, which is the name that appears on your birth certificate, unless it was changed after birth by a legal action such as marriage or a court order. If you do not have and cannot obtain your birth certificate, use your full legal name as it appears on government issued identity documents such as a passport, refugee travel document, or similar official record. Do not provide a nickname. If you have two last names, include both and use a hyphen (-) between the names, if appropriate.

Item Number 2. Physical Address. Provide your physical street address. This must include a street number and name or a rural route number. Do not provide a post office box (PO Box) number here.

Item Number 3.A. Gender. Select the box that indicates whether you are male or female.

Item Number 3.B. Date of Birth. Use eight numbers to show your date of birth in mm/dd/yyyy format (for example, type or print May 1, 1979 as 05/01/1979).

Item Number 3.C. City/Town/Village of Birth. Provide the name of the city, town, or village where you were born.

Item Number 3.D. Country of Birth. Provide the name of the country where you were born.

Item Number 3.E. Alien Registration Number (A-Number) (if any). This is your alien registration file number. If you are not sure if you have one, look at any letters or notices that you have received from the Department of Homeland Security (DHS). Look for a number that begins with a letter "A" followed by 8 or 9 digits (for example: A 000 000 000). If you do not have one, or if you cannot remember what it is, leave this space blank.

Item Number 3.F. USCIS Online Account Number (if any). If you have previously filed an application, petition, or request using the USCIS online filing system (previously called USCIS Electronic Immigration System (USCIS ELIS)), provide the USCIS Online Account Number you were issued by the system. You can find your USCIS Online Account Number by logging in to your account and going to the profile page. If you previously filed certain applications, petitions, or requests on a paper form via a USCIS Lockbox facility, you may have received a USCIS Online Account Access Notice issuing you a USCIS Online Account Number. If you received such a notice, your USCIS Online Account Number can be found at the top of the notice. If you were issued a USCIS Online Account Number, enter it in the space provided. The USCIS Online Account Number is not the same as an A-Number.

Part 2. Applicant's Statement, Contact Information, Certification, and Signature

Item Numbers 1. - 6. Select the appropriate box to indicate that you either read this application yourself or whether you had an interpreter assist you. If someone assisted you in completing the application, select the box indicating that you used a preparer. Every Form I-693 **MUST** contain the signature of the applicant (or parent or legal guardian, if applicable). A stamped or typewritten name in place of a signature is not acceptable.

Part 3. Interpreter's Contact Information, Certification, and Signature

Item Numbers 1. - 7. If you used anyone as an interpreter to read the Instructions and questions on this application to you in a language in which you are fluent, the interpreter must fill out this section, provide his or her name, the name and address of his or her business or organization (if any), his or her daytime telephone number, his or her mobile telephone number (if any), and his or her email address (if any). The interpreter must sign and date Form I-693. A stamped or typewritten name in place of a signature is not acceptable.

Part 4. Contact Information, Declaration, and Signature of the Person Preparing this Application, if Other Than the Applicant

Item Numbers 1. - 8. This section must contain the signature of the person who completed your application, if other than you, the applicant.
