- We provide expedient, reliable low-cost I-693 Immigration Medical Green Card Exams with a 100% success rate!

Raving Reviews

"When I came here I didn't know a lot and I was nervous with all the immigration needs. This facility is like a family run and they treat you like a family. walk you through everything step by step and complete all forms perfectly one time. God bless them"

"Hassle-free process. They have a very quick phone and email response. The office and Dr. Neema are very friendly."

"Had an amazing experience here, got my work done in no time with no problem or delay"
